† Anthem Text †

How Beautiful

How beautiful the hands that served the wine and the bread and the sons of the earth. How beautiful the feet that walked the long dusty roads and the hill to the cross. How beautiful is the body of Christ.

How beautiful the heart that bled, that took all my sin and bore it instead. How beautiful the tender eyes that choose to forgive and never despise. How beautiful is the body of Christ.

And as He laid down His life, we offer this sacrifice: that we will live just as He died, willing to pay the price. How beautiful the radiant Bride who waits for her Groom with His light in her eyes. How beautiful when humble hearts give the fruit of pure lives so that others may live. How beautiful is the body of Christ.

How beautiful the feet that bring the sound of good news and the love of the King. How beautiful the hands that serve the wine and the bread and the sons of the earth. How beautiful is the body of Christ.

† Missions Moment †

For every recording project Keith works on, we request a team of prayer volunteers. A recent recording of the entire New Testament proved particularly challenging. We had a tight deadline and a lot of issues within the local recording team. We leaned heavily on the team of 19 prayer volunteers who prayed to find the right voice for “Paul,” for “Paul” when he became ill, for the mysterious clicks whenever “John” recorded, for the final proof-listening of each chapter, for our own sanity...

When we finally announced that all was completed, a volunteer emailed, “I am as happy as if I had been directly involved.” We assured her she had been!
